INDEPENDENT TELEVISION PRODUCTIONS

SCHEDULE A:

PRODUCTION BUDGET & SCOPE

This document, otherwise referred to as the “Scope,” forms part of the Broadcast Production Agreement between the Producer and The Client.

Programme Working Title: [working title of production]

Overall Projected Cost: [overall projected cost amount]

- 1) Pursuant to Section 1(b) of the Broadcast Production Agreement, Producer shall produce the Programme substantially in accordance with this approved “Scope.”
- 2) The Client understands that whilst the Producer has taken every effort to ensure these anticipated costs are as accurate as possible, they are only an approximation. Variations to the project may incur additional costs.
- 3) A final figure (Overall Cost) will be communicated in writing from Producer to The Client, prior to development of any broadcast television show.

Scope of Production: [detailed explanation of scope of production, detailing type of production, who’s involved, single or multiple episodes, free or paid viewing, etc]

Date: [date of submission]
